Canno

It's sudden, but
Where did that come from, exactly?!
It's obviously about wondering when Shiramine will finally admit that she's madly in love with me.
Shameless

Okay.
I did promise, so I thought I should come sooner or later
Huh?
Really?
Moe will be happy
I have to tell her.
ゾゾ
Make up your mind, geez
That Kuro scene comes
Yeah
I'm sure she'll be happy.
It's thanks to Ayaka, huh
I might hurt you. You have her proof
Really?

It's been a long time since anybody came here to play with her
It seems you get along with her pretty well.
Thanks.
...I'm not sure Shirasmine feels the same
She keeps getting mad at me
That's just how she is at home.
Maybe she wants to treat you as someone close to her?
Hm? Now that I think of it Kurosawa

Aw Kusakabe?
Shiramine isn't there, so...
Waiting for someone?
What are you doing here?
I wondered who it was for a second.
What do you think? Do I look cute?
This morning I went to the track club
And right now I have nothing to do
So I was about to go home.

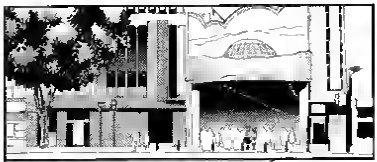
Hop
You can come and play with us!!
Well then ...
Come on!
I wanna play with Kurosawa!
Ai!
Try to listen when people talk to you!
Ah
Come on!
Come on!
Come on!
Come on!
She must be a bother every time
I'm sorry, Kurosawa.
Come on!
Come on!

I have the feeling
I already know this situation.
Everyone wants to get along with you.
Why don't you try?
Ah!
I'm coming with you!

So you and me are gonna form a team!
Good!
A team?
See you later!
Chi-haru!
?
Mufuuu
Chiharu is our enemy today.

What? No way, this one is better!
This one is good isn't it?
The problem is, her tastes and mine don't quite match.

Let's give it our beeest!!
We must find something cuter than hers!
So we decided to look for a present each on our side!



Our senpai is mature and kind.

She's lodging at the dormitory, you see
I come from the countryside.
And the senpai who shares her room will have her exams, this year
So we wanted to give her a lucky charm, or something like that

She's a lot like a big sister to us...
So we want to support her as much as we can.
Livre: "Legends of the constellations"

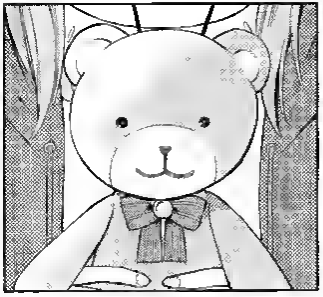
What do you do on your days off?

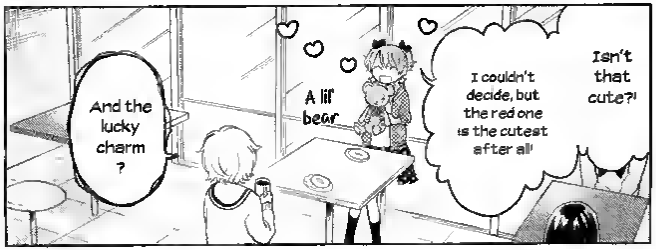
We often have fun together after school...
Ah, right.

I sleep.
I wake up
I eat and I go to bed.
You spend the day sleeping?!
ビシッ

You may be right
Lucky!!
But that means today is a rare chance!
Normally...
There's nothing I want to do...
And no one to have fun with either
Which makes me...
I'm not acting like myself today
Your very first friend, right?!
Yay!!
Hum ...??
So I might as well sleep...
Why am I telling her all this?

Ah!
Here we are!
This is...





And the lucky charm ?
A lil bear
I couldn't decide, but the red one is the cutest after all!
Isn't that cute?!

With this...
Are you sure ?
Don't you think ?!
A cuddly toy is way better!

Rather than something bland like this ...
Something like this

That's it.

I pray that
Senpai is accepted to her first wish!!
Don't worry, I'm going to breathe power into it
And there you go!
Hum.. well
Ah ha ha
Whatever
I hope..
She will like it

I'm sure she will.
You chose it earnestly, after all.

You're right!!

Fufun

Ah!
Say!
Why don't we buy matching pendents?
Mat-ching?
Yeah, that's what friends do!

I wonder about that.

Let's go home.
I wonder what Shiramine's doing...
Today
Sure was short
KURO-SAWA!!

I was told that today...
Was your birthday?!

Uh...
Yeah
Hah
?
Hah
She ran
How do you know?
I don't think I told you
Ah right, it's Kurosawa's birthday, today. According to Moe
I learned it from Moe, through Mizuki.
That girl knows a lot of weird things.
JUSTE AFTER COMING HOME
What?!
Sure, I can't stand to see your face.
But at least let me wish you a happy birthday, geez

Hah...
Apparently you even came all the way to the dorms!
Call me beforehand.
!?
Uh?
Err ...
Calm down !!
It looks like it's me who made you cry...
Hey

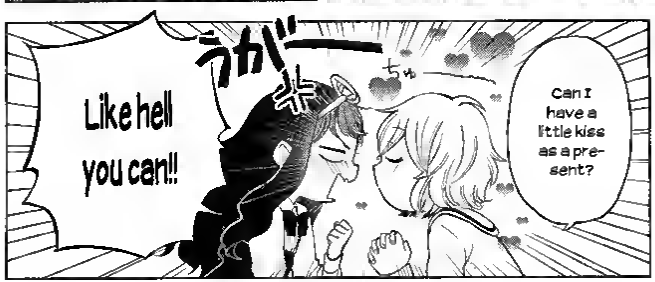
Shiramine
Can I hug you?
Wh
Where does that come from
Ask someone else!
Five seconds!
No longer, okay?
I thought you said you wanted
to celebrate my birthday?
Ugh
Yes
Uh? What is?
...It's all your fault, Shiramine.

I wanted to see you today
And I ended up remembering.
How sad it is to be alone
はっ
Erm
Listen!
Yes
AH!
ばっ

Since I learned about it, I thought I should come to say it to you
Yes.
But that doesn't mean I acknowledged you.
Yes
I hate your guts, okay?
Yes.
So...
So I don't want you to get the wrong idea!
Yes.

Thanks.

Happy sixteenth birthday



Like hell you can!!
